

# LOADING DOCK INFORMATION

## LOADING DOCKS

The truck service areas and loading docks are located on Level 5 (upper Exhibition Hall). The loading dock is at street level and contains five bays with vehicle restraint systems and one dock leveler. The dock height clearance is 25 feet. Live load limit is 250 lbs/per sq. ft. for all docks. The loading dock areas can accommodate any standard, street legal trailer.

## DOOR & ACCESS DIMENSIONS:

CONVENTION  
CENTER**

# PARKING & DIRECTIONS

## Parking rates

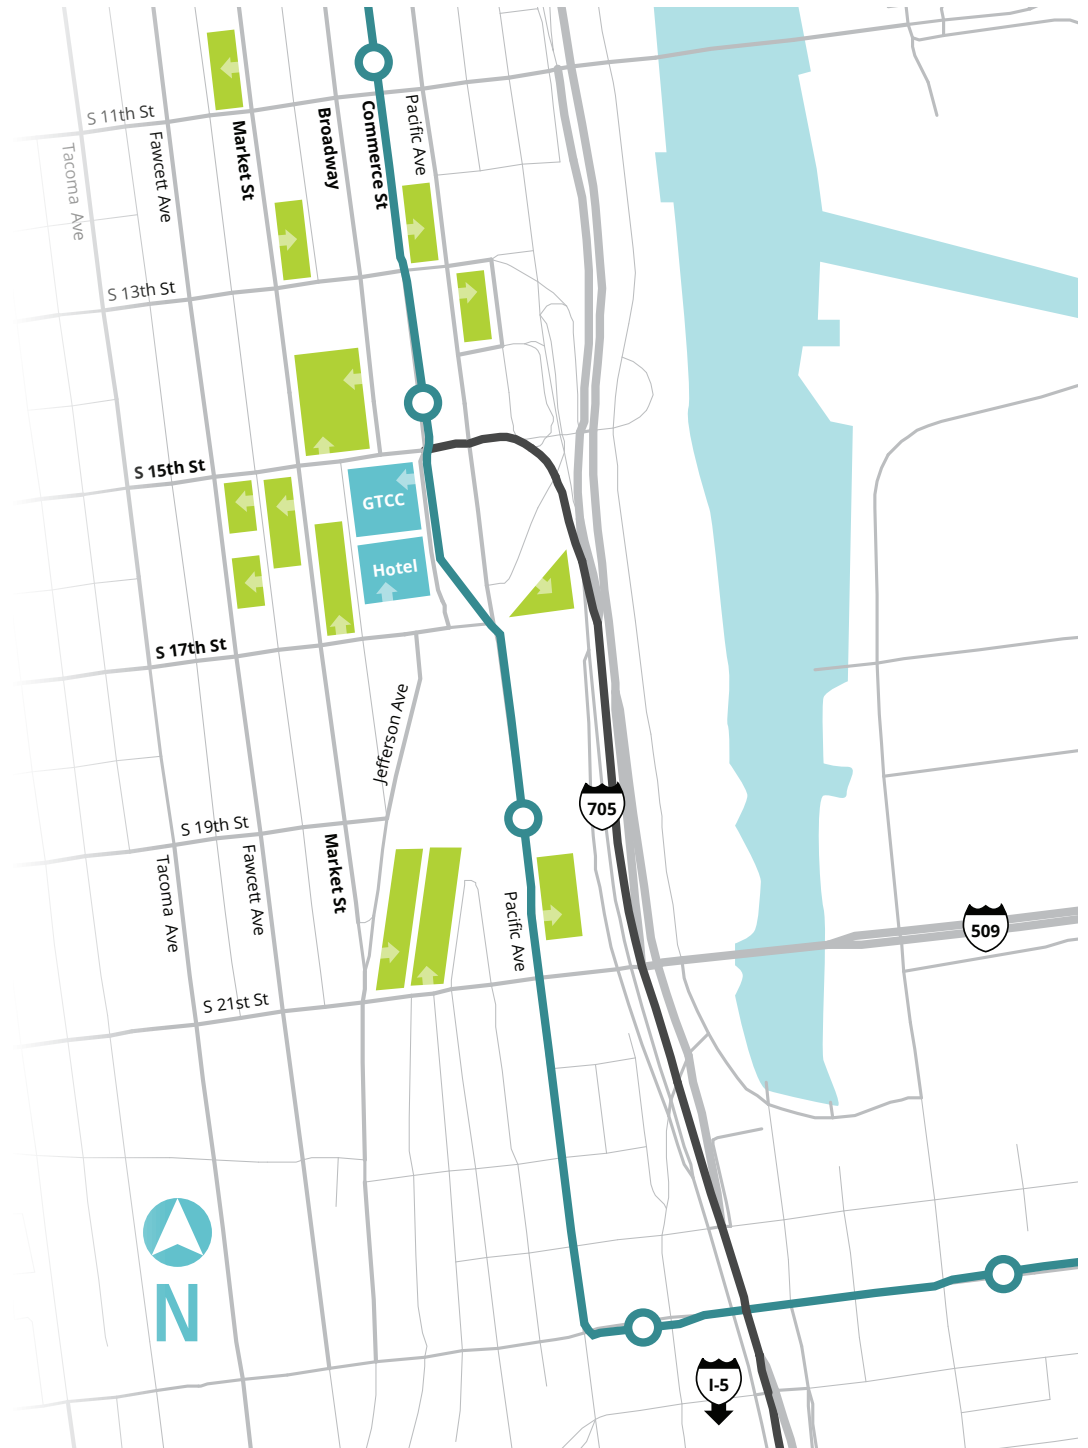

**0-4 hours . . . . . \$6**

**4+ hours (all day) . . \$12**

*rates subject to change at any time*

To reduce touch points and offer a seamless experience, the Greater Tacoma Convention Center parking lots allow guests to pay for parking through the Flowbird app. Guests can set up an account at [flowbirdapp.com](http://flowbirdapp.com) or download the app to their mobile device in advance.

Convention Center parking pay stations have also been updated to a pay-by-license plate system. The pay stations are easy to use and will be familiar to those who park in Tacoma's downtown core.
