EXHIBITOR TERMS & CONDITIONS

YOU ARE ENTERING INTO A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE. The terms and conditions set forth below, together with any applicable Order, become a part of the agreement (the "Agreement") between FERN and you, the EXHIBITOR. You are agreeing you have been fully advised, understand completely, and are willing to accept the following terms and conditions. By exhibiting, ordering or receiving goods or services, requiring transportation of goods to or from, or acting as an agent for another exhibitor, at a show which FERN is the service contractor, you accept and agree to be bound by these terms and conditions.

DEFINITIONS:

For purpose of this Agreement, "FERN", "we", or "us" means Fern Exposition Services, LLC and its employees, directors, officers, agents, assigns, affiliated companies and related entities including, but not limited to, any subcontractors we may appoint. "EXHIBITOR" or "you" means the EXHIBITOR set forth in an applicable Order, its employees, agents, representatives, and any EXHIBITOR appointed contractor ("EAC"). "Order" means the purchase order, work order or other similar order form accompanying these terms and conditions, which together with these terms and conditions comprise the entire Agreement between FERN and EXHIBITOR.

PAYMENT TERMS:

We require 100% payment with Order for rentals, services, tax and anticipated freight. We require a credit card on file prior to acceptance of any Order and accept Visa, MasterCard, and American Express. By providing your credit card number to us via a Payment Authorization form or placing online Orders you agree that we may place your credit card on file to be used for any additional show site services as well as any future purchases. It will stay on file for the duration of the event. Full payment of rental charges must accompany your Order and be received by our office before the applicable deadline date to qualify for any discounted rate. **PLEASE NOTE THAT PURCHASE ORDERS'S ARE NOT ACCEPTED AS A FORM OF PAYMENT**. All orders received after any applicable discount deadline (indicated on each Order) will be charged at standard rates. A \$20.00 surcharge will be added to your account if any credit charges for services are denied or if any checks are returned.

To Pay by Check - Please mail check including show, booth, and company name, to: Fern, 645 Linn Street, Cincinnati, OH 45203 We cannot accept checks drawn on foreign banks.

All invoiced amounts are due upon receipt of invoice. Unpaid accounts after the day of the show will accrue a service charge of .0575% per day (which equates to an annual interest rate of 21%), or the maximum rate allowed by law, whichever is less. You will be responsible for all fees (including reasonable attorneys fees and court costs) incurred by us in connection with the collection of your past-due accounts.

Invoiced amounts are exclusive of any sales, use or other similar taxes. You are solely responsible for payment of any sales, use or other similar taxes due in connection with the performance of this Agreement. If you claim tax exempt status, you must submit a copy of a valid exemption certificate issued by the federal government or the government of the state in which your event is taking place.

You are primarily responsible for the payment of all third-party charges. [In the event the exhibiting firm has arranged for an exhibit house or other party to handle the EXHIBITOR's display and be billed for all services, Fern will agree to the third party billing if the exhibit house supplies the appropriate credit card information on the Third Party Payment Authorization form. Advance payment in full must accompany the order including estimated labor and drayage charges. By signing the Third Party Payment Authorization form, the EXHIBITOR agrees that they are primarily responsible for payment of charges. In the event the named third party fails to pay all charges, such charges will be paid by the EXHIBITOR upon submission of an invoice, including any and all fees connected with the collection of this account.]

Copies of invoices may be picked up from the Service Desk prior to show closing. No credit will be given after close of event on items or services ordered but claimed to not have been received. All orders cancelled by you or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order. Such cancellation fees will be set forth on the applicable Order.

FERN'S RESPONSIBILITIES:

We are only responsible for those services which we directly provide to you. We assume no responsibility for any persons, parties or other contracting firms not under our direct supervision and control. We shall not be responsible for loss, delay or damage due to strike, lockouts, work stoppages, natural elements, vandalism, acts of God, civil disturbances, disruptions in the financial or capital markets, power failures, explosions, acts of terrorism or war, or for any other cause beyond our reasonable control, nor for ordinary wear and tear in the handling of materials. We will provide material handling services as your agent, not as bailee or shipper, and shall have no responsibility or obligation thereunder and you accept responsibility thereof.

PACKAGING AND CRATES:

We shall not be responsible for damage to lose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly or improperly packed materials. In addition, we shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means.

STORAGE:

We assume no liability for loss or damage to crates or containers or the contents therein while containers are in storage, including but not limited to accessible storage or cold storage. You acknowledge that storage charges are for the use of the space and are not a form of insurance or a guarantee of security

Empty container labels will be available at the show site service desk. Affixing labels to the containers is the sole responsibility of you or your representatives. All previous labels should be removed or obliterated. We assume no responsibility for your failure to follow the above procedures; removal of containers with old empty labels or without FERN labels; shipping of containers with improper information or empty labels; or the removal or disposition of materials stored in containers with empty labels. It is understood that the labels are used for storage of empty containers only and we shall not be liable for loss or damage to any contents while containers are in storage, or for any mislabeled containers.

SHOW SITE:

You are solely responsible for damage or loss to any rental items in your possession or under your control in connection with your performance hereunder, including but not limited to damage or stains to carpet. Neither you nor your EACs may bring or use any kind of lift on the exhibit floor.

Our working hours are subject to change due to holidays, time of day or night worked, amount of time worked, and specific facility or union guidelines. The normal categories of hourly changes are: straight time, overtime, double time and holiday pay. Such hourly charges shall be set forth on the applicable Order.

INBOUND SHIPMENTS:

Consistent with trade show industry practices, there may be a lapse of time between delivery of shipments to the booth and your arrival or that of your representatives, and during such time the material will be left unattended. We will not be responsible or liable for any loss, damage, theft, or disappearance of your materials after same have been delivered to your booth at the show site.

We shall not be liable for shipments received without individual freight bills, such as UPS, FedEx or other carriers who deliver in bulk and do not wait for shipment count and condition to be verified for individual shipments. Such shipments will be subject to verification and correction of count and condition and our receiving paperwork indicating any exceptions as delivered shall take precedence over shipper's signature of receipt.

OUTBOUND SHIPMENTS & ITEMS LEFT AT SHOW SITE:

Consistent with trade show industry practices, there may be a lapse of time between the completion of packing and the actual pick-up of materials from the booth for loading onto a carrier, and during such time the material will be left unattended. We will not be responsible or liable for any loss, damage, theft or disappearance of your materials before same have been picked up for reloading or delivered to your carrier at the conclusion of the event.

We are not responsible for shipments left in your booth or elsewhere. We will count and ship pieces as we find the shipment(s) when we remove them from the exhibit hall. Circumstances may also warrant these items be sent to a remote facility and shipped from there. You will be responsible for any additional charges that result. You should insure yourself and your equipment and materials against loss or theft. We also recommend that you engage security services from the facility or show management.

All Material Handling Forms submitted to us by you will be checked at the time of pick-up from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to us and the actual count of such items at the booth at the time of pick-up.

We retain the right to dispose of materials left on the show floor without liability if left unattended, left without labels or not correctly labeled. A disposal fee will be charged to your account.

We load materials onto the carrier under directions from the carrier or driver of that carrier. Any loading onto the carrier will be understood to be under the exclusive supervision and control of the carrier or driver of that carrier. We assume no responsibility or liability for loss, damage, theft or disappearance of your materials that is caused by, arises out of or related to improperly loaded materials.

RE-ROUTED FREIGHT:

In order to expedite removal of materials from show site as required by show management and/or the facility, we shall have the authority to change the your designated carrier if that carrier does not pick-up the shipment at the appointed time. Where no disposition is made by you, materials may be taken to a remote location to await your shipping instructions, and/or consigned to carrier of our choice. You agree to be responsible for charges relating to such rerouting and handling.

INSURANCE:

It is understood that FERN is not an insurer. Insurance on exhibit materials, if any, shall be obtained by you, at your sole costs and expense from a third-party insurance provider. You agree to provide, and to cause your insurance carrier to provide, us with a release of subrogation to the extent of any insurance settlement

CLAIMS FOR LOSS:

You agree that in order to have a valid claim, notice of loss or damage to materials must be given to us or our agent within 24 hours of occurrence of any incident or prior to show close/removal, whichever is later. All claims reported after such period will be rejected. Such notice must include detail sufficient to identify the materials claimed to be lost or damaged, asserting our liability for alleged loss or damage and documentation indicating the specified or determinable dollar value of the claim. Damage reports, incident reports, inspection reports, notations of shortages or damage on freight bills or other documents do not constitute filing of a claim.

(a) PAYMENT FOR SERVICES MAY NOT BE WITHHELD. In the event of any dispute between you and us related to any loss, damage or claim, you shall not be entitled to and shall not withhold payment or any partial payment due to us as an offset against the amount of any alleged loss or damage. Any claims against us shall be considered separate transactions and shall be resolved on their own merits.

(b) MAXIMUM RECOVERY. If found liable for any loss, our sole and exclusive MAXIMUM liability for loss or damage to your materials and your sole and exclusive remedy is limited to \$0.50(USD) per pound per article with a maximum liability of \$100.00(USD) per item, or \$1,500.00(USD) per occurrence/shipment, whichever is less.

(c) BREACH OF CONTRACT AND/OR NEGLIGENCE ONLY. Our liability shall be limited to any loss or damage which results solely from our gross negligence in the actual physical handling of the items compromising your shipment(s) OR which results from a material breach of this Agreement and not for any other type of loss or damage. In no event shall we be liable to you or to any other party for special, collateral, exemplary, indirect, incidental, consequential or punitive damages, whether such damages occur either prior or subsequent to, or are alleged as a result of, tortuous conduct, failure of our equipment or services or breach of any of the provisions of this Agreement, regardless of the form of action, whether in contract or in tort, including strict liability and negligence, even if we have been advised or has notice of the possibility of such damages, or for any damages caused by your failure to perform your responsibilities. Such excluded damages include but are not limited to loss of profits, loss of use, interruption of business or other consequential or indirect economic issues.

Policy Regarding Official Service Contractor and Regulation for Exhibitor Appointed Display House Contractors to Install and Dismantle Displays

Show Management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed an Official Service Contractor to perform and provide necessary services and equipment.

The Official Service Contractor is appointed to:

- a. Insure the orderly and efficient installation and removal of the overall exposition,
- b. Assure the distribution of labor to all Exhibitors according to the need,
- c. Provide sufficient labor to satisfy the requirements of Exhibitors and for the exposition itself,
- d. See that the proper type and limits and insurance are in force, and
- e. Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractor will provide all usual trade show service, including labor. Exceptions are:

- f. Supervision may be provided by the Exhibitor,
- g. The Exhibitor may appoint an outside independent contractor for installation and dismantle only of the Exhibitor's display.

Exhibitors may employ the service of independent contractors to supervise the installation and dismantle of their display, providing that the Exhibitor and the installation and dismantling contractor comply with the following requirements:

- 1. The Exhibitor, in writing, must notify Show Management and Fern Exposition and Event Services of their intention to utilize an independent contractor no later than the given deadline date, furnishing the name, address and telephone number of the firm. Letters as such from independent contractors are neither valid nor acceptable.
- Only the exhibitor named independent contractor's employees will be authorized on the show floor. Employees of third parties named or subcontracted by the Exhibitor named independent contractor will not be authorized admittance on the show floor unless those employees are named and badges as specified in the following article.
- 3. The independent contractor must furnish Show Management and Fern Exposition and Event Services with the names of all on-site employees who will be working on the exposition floor prior to the first move-in day and see that they have and wear at all times identification badges supplied by the independent contractor containing the independent contractor name, employee name, and Exhibitor company name, plus wear an exhibitor work pass supplied by Show Management.
- 4. The independent contractor must have all business licenses, permits and Worker's Compensation insurance required by the State and City government and the Convention Center Management prior to commencing work and shall provide Show Management and Fern Exposition and Event Services with evidence of compliance.
- 5. The independent contractor must carry a minimum of \$1,000,000.00 in Commercial General Liability Insurance and shall provide Show Management and Fern Exposition and Event Services with a certificate of insurance showing coverages and amounts and naming the sponsor, Fern Exposition and Convention Center as coinsured.
- 6. The independent contractor must follow the scheduled work times or pay any additional costs incurred because of extended work hours.
- 7. The independent contractors may not solicit business on the exhibit floor.
- 8. The independent contractors must confine their operation to the exhibit area of their clients. No service desks, storage areas or other work facilities will be located anywhere else in the building. The show aisles and public spaces are not part of the Exhibitor's booth space.
- The independent contractors must comply with all labor agreements and practices and must not commit or allow to be committed by persons in their employment any acts that could lead to work stoppages, strikes or labor problems.
- 10. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor, Fern Exposition and Event Services. The independent contractors must coordinate all of their activities with Fern Expositions.
- 11. For services such as electrical, plumbing, telephone, floral, booth cleaning and drayage, no contractor or supplier other than the Official Service Contractor/Supplier will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

Material Handling services include the unloading of your exhibit materials, storage of up to 14 days at the advance warehouse prior to show move-in, delivery to the booth, moving empty containers to and from empty storage and moving exhibit materials from booth to reload onto outbound carriers.

How do I ship to the advance warehouse?

Typically, freight will be received at the advance warehouse beginning 30 days prior to exhibitor move-in. Refer to the Exhibitor Services Manual (ESM) or contact a Fern Exhibitor Services Representative at the phone number or e-mail address listed in the ESM for the time frame in which freight will be received at the advance warehouse. To ensure the arrival of your material at show site, freight should arrive by the deadline date noted on the Material Handling and Freight Services Order form. For your convenience, labels with the warehouse address are included in the ESM. The warehouse will accept crates, cartons, skids, cases and carpets. Loose or pad wrapped material must be sent direct to show site. All shipments must have bill of lading and a certified weight ticket. Freight received at the advance warehouse will be delivered to your booth prior to your arrival at show site.

How do I ship to show site?

Freight will be accepted during exhibitor move-in. Please refer to show move-in dates and times on the Show Information page in the ESM. Shipping address can be found on the Material Handling and Freight Services Order form and the Show Site shipping labels. All shipments must have bill of lading and a certified weight ticket.

Can I ship my materials collect?

Collect shipments will not be accepted. Please be sure to mark your bill of lading "prepaid". This will designate that the shipping charges will be paid by the exhibitor or a third party.

What do I do with my empty containers during the show?

Empty labels are available at the Exhibitor Service Desk. Place a label on each container. Containers with these empty labels will be picked up and stored in a non-accessible area.

Are my materials secure after they are delivered to the show or before they are picked up after the show?

Consistent with trade show industry practices, your materials may be left unattended between the delivery of your shipment to your booth and your arrival, as well as the time between the close of the show and leaving your booth and the pick-up of your materials. It is recommended that arrangements for a representative to stay with your materials during these times. It is recommended to insure your materials from the time they leave your company to when they are returned. All materials handled by Fern are subject to the Terms & Conditions included in the ESM.

How do I ship my materials after the close of the show?

An Outbound Bill of Lading Request form is included in the ESM. To save time, complete and submit this form to Fern Exposition & Event Services prior to exhibitor move-in. Your BOL and labels will be available at the Exhibitor Service Desk prior to the close of the show. If you do not submit the form ahead of time, you can still receive your documents by visiting the Exhibitor Services Desk at show site. Once your materials are packed up and labeled, you will turn your BOL into the Exhibitor Services Desk before leaving the show floor.

For your shipping convenience, information or representatives from the official show carrier will be on site to handle outbound transportation. If you are shipping with a carrier other than the official show carrier, you will need to contact your carrier and provide them with pick-up information. Please refer to the Show Information form or contact Fern Exposition & Event Services for dates and times. If your designated carrier fails to show by the designated time, your freight will either be re-routed onto the official show carrier or returned to the warehouse at an additional expense to the exhibitor.

Do I need to order forklift services to have my materials loaded or unloaded?

Forklift services are for the installation or dismantling of your booth. If you need your materials loaded and/or unloaded to/from your booth you will need to complete the Material Handling and Freight Services order form located in the ESM.

The Network Security Policy implemented for this Facility requires Customer(s) adherence to several necessary precautions in order for Smart City to maintain a healthy, viable network for all Customers. This declaration of compliance with the security requirements as noted herein is an acknowledgement of Smart City's filtering policies and must be completed, signed by an authorized Customer representative and mailed or faxed to Smart City prior to the requested network service(s) being activated for Customer's usage.

Network Security Policy:

Smart City requires that all devices directly or indirectly accessing Smart City's network(s) have the latest virus scan software, Windows® security updates, system patches, and any other technological precautions necessary to protect the Customer(s) and others from viruses, malicious programs, and other disruptive applications. Any device(s) which adversely impacts Smart City's network(s) may cause service interruptions to Customer(s) which can lead to disconnection of the Customer's equipment from the network(s), with or without prior notice at Smart City's sole discretion. The device(s) in question will remain disconnected until all issues are adequately resolved. All charges will apply and no refunds will be given. Additional charges may apply for trouble diagnosis and / or problem resolution.

Smart City has implemented filtering policies on all Internet routers. These filters block all inbound Internet Control Message Protocol (ICMP) -- Ping, Traceroute, etc. -- destined to any Smart City Network(s). Smart City understands that Ping and Traceroute are valuable troubleshooting tools; therefore Smart City's Policy does allow ICMP (Ping & Traceroute) packets sourced from any Smart City network(s).

Further, to avoid infection by common Internet worms (Nachi, MSBlaster, LoveSAN, etc.), Smart City has implemented similar filters on the following TCP and UDP port numbers: UDP – 137, 138, 402, 1434 and TCP – 135, 139, 402, 445, 4444.

Customers requiring inbound or outbound access to any of the filtered ports, should contact a Smart City customer service representative in advance of the event with details of the specific requirements so that Smart City may consider the potential of a customized alternative.

Each Customer's business is important to Smart City and with advanced and timely notification of a Customer's needs we are confident that we can provide network services that perform as expected for all clients.

- *** Please inform all show site personnel about the importance of Smart City's Network Security compliance issues ***

Data communications cabling. Smart City is the **exclusive installer** of Data communications cabling. Smart City provides cabling to booths, within booths (under carpet and flooring) and from booth-to-booth. Fiber Optic, twisted pair (Category 5 and 6), and all other data related cabling fall under Smart City's area of expertise.

IMPORTANT!! Prior to installation of service, a complete floor plan is required. Please utilize this grid should you not have your own floor plan to send us. You may use a different floor plan for each service group (Internet, etc.) or combine all services on one floor plan. For a floor plan to be considered complete it **must** include all the information listed below (Main Distribution Location "MDL", designated location of items within the booth, surrounding booths, scale-length and width).

Adjacent Booth or Aisle#

Main Distribution Location (MDL) – The originating line(s) for service, whether from overhead, a floor pocket or a column, will be delivered to a "MDL" before being distributed within your booth. Example: Storage area, back of booth, etc. (<u>unless specified</u>, the default for the "MDL" will be the back of the booth or at Smart City's discretion, the most convenient location). All distribution of services to their final destination within the booth will originate from the "MDL". A per line move fee will apply to relocate services within your booth after they have been engineered and / or installed.

 \mathbf{I} = Location of Telephones, Fax lines or other telecommunications equipment "T".

I / H / PC / C = Location of primary Internet Service "I", Hubs "H", Patch Cables "PC" and / or Computers "C". For Smart City to perform your floor work, you will need to indicate the location of each item you want cabled. Make sure to order your floor work, hubs, and patch cables early and in advance of the show moving in.

Orientation = The Booth or Aisle #'s surrounding your booth. A minimum of one surrounding Booth or Aisle # is required (two or more would be more helpful) for Smart City to accurately install your services.

Size = Booth dimensions (example 10x10) . **Scale** = 1 Box is equal to ft.
