

EXHIBITOR PARKING INFORMATION

We have a designated exhibitor parking lot Friday - Sunday to allow as much parking for attendees as possible.

Parking passes with in/out privileges will be available for purchase at the parking gate entrance. We highly encourage purchasing these passes during move-in on Wed/Thurs to avoid traffic congestion at the parking gate on Friday. Pricing is \$20 for a 4-day vehicle pass or \$25 for more than 5 days. Regular pricing is \$7 per entry.
