Responsibility for rental items remains with the customer from delivery to return. Additional charges will be imposed for damaged or missing items; however, we do offer a *Damage Waiver* at the price of 10% of the rental. Like an insurance policy, the *Damage Waiver* protects against charges at full replacement cost for equipment that may become damaged through the normal wear & tear of rental use. It does not cover missing equipment. If you choose to decline the *Damage Waiver*, a credit card must be on file for damages, even if rental payment is by cash or check. While we strive to provide you with current & correct information, prices may be changed without notice.
