LIMITS OF LIABILITY

1. PEDCO and its subcontractors shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage, or concealed damage.

2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by PEDCO or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of freight from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in booth unattended. Therefore, it is agreed that PEDCO and its subcontractors are not liable for the loss of, disappearance of, or damage to Exhibitor's freight after the same has been delivered to Exhibitor's booth, nor are PEDCO and its subcontractors liable for Exhibitor's freight before it is picked up from the Exhibitor's booth for loading after the show.

Consequently, all bills of lading covering outgoing shipment(s) submitted to PEDCO or its subcontractors by Exhibitor will be checked at time of pickup from the booth and corrected where discrepancies exist.

3. PEDCO and its subcontractors shall not be liable for any damage incurred during the handling of equipment requiring special devices to properly load, place, or reload unless 14 days advance notice has been given to PEDCO in time to obtain the proper equipment.

4. PEDCO and its subcontractors shall not be liable for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts, or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, mysterious failure of power or utilities, and other events of force majeure.

5. PEDCO and its subcontractors shall not be liable for ordinary wear and tear in handling of equipment. **6. It is understood that PEDCO and its subcontractors are not** insurers. Insurance,

if any, shall be obtained by the Exhibitor. Amounts payable by PEDCO hereunder are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that PEDCO and its subcontractors do not provide for full liability should loss or damage occur. In the event that PEDCO or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results in directly or indirectly to property through performance or nonperformance of obligations imposed by the offering of services to Exhibitors, or from negligence, active or otherwise, by PEDCO, its subcontractors, or their employees.

7. PEDCO and its subcontractors shall not be liable to any extent whatsoever for indirect, special, incidental, or consequential damages, including, but not limited to delay any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss, injury, or damage to Exhibitor's material or Exhibitor personnel which may make it impossible or impractical to exhibit the Exhibitor's materials.

8. Claims for loss or damage must be submitted to PEDCO by the close of the show. No suit or action shall be brought against PEDCO or its subcontractors more than one year after the cause of action accrues.

9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that PEDCO and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of PEDCO or its

subcontractors shall sign a delivery receipt, bill of lading, or other document, the parties agree that PEDCO or its subcontractors will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

10. PEDCO and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills, such as UPS or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.

11. Empty container labels will be available at the service desk. Affixing labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and PEDCO and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.

12. In order to expedite removal of freight from the show site, PEDCO shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. PEDCO assumes no liability as a result of such rerouting or handling.

13. The Exhibitor agrees, in the event of a dispute with PEDCO or its subcontractors relative to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to PEDCO for freight handling services or any other services provided by PEDCO or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay PEDCO prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against PEDCO or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

The placing of an order for the services of tradesmen and the use of equipment by an exhibitor or any agent of the exhibitor shall be construed as an offer subject to acceptance and approval of PEDCO in its sole discretion. Upon PEDCO's [written] acceptance and approval, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Sections 1 through 13 above. Likewise, once PEDCO has accepted and approved the Exhibitor's offer, any shipper consigning or delivering a shipment to PEDCO or its subcontractors on behalf of Exhibitor shall be bound by the terms and conditions set forth in Sections 1 through 13 above. Pacific Exposition Decorating Company, LLC dba PEDCO, Pacific Exposition Drayage Company, Pacific Exposition Design Company, Pacific Exposition Display Company are governed by the Limits of Liability as set forth above.

Material and equipment provided per this order shall be and remain property of GTCTC and shall be removed ONLY by GTCTC personnel at close of event.

Credit will not be given for service installed as requested per this order, regardless of use or lack thereof.

Wall, column and permanent building utility outlets are not part of booth space and are not to be used for booth power.

Outlets will be located at the back center of each 10'x10' booth space. Booths 10'x20' will be provided with only one outlet unless additional power is required, in which case an additional order is required for each 10'x10' section.

Bulk space and large, oversized booth electrical requirements will need to be diagrammed to indicate location of outlets. Labor charges will apply to these installations.

During event move-ins, power is on continuously. On event days, power is turned on thirty (30) minutes prior to show opening and turned off at show closing. If 24-hour power is required, a 24-Hour Outlet Service Request must be submitted. Any exhibitor wishing early turn on, or late turn off, of electrical power to booths must make special arrangements with show management and the GTCTC.

If services are found to be used which have not been purchased, said services will be charged at twice the Late Order Rate.

The GTCTC is not responsible for voltage fluctuations or power failure due to temporary conditions.

Labor Information:

Labor charges are added to all 208-volt outlet orders to inspect and hook-up (or adapt) pre-wired equipment into the GTCTC system. (Note: If the exhibitor has adaptors that will work with the GTCTC system, no labor will be charged).

GTCTC provided electrical labor is properly insured, supervised and controlled for the protection of the exhibitor. Electricians will not connect any exhibit that does not meet electrical codes.

The GTCTC is not responsible for problems arising from unlabeled, mislabeled or the use of non-standard wiring practices on equipment provided by exhibitor.

Payment Information:

Charges for electrical services must be paid prior to event opening, in U.S. currency.

The GTCTC accepts VISA, MasterCard, cash and check payment. Check payments must be received no less than fifteen (15) days prior to event move-in day.
